# Del Monte Foods Wants to Recognize America's Healthiest Schools

Feb 22, 2024 9:00 AM ET

Del Monte Foods is proud to partner with Alliance for a Healthier Generation in its **America's Healthiest Schools national recognition program**. This annual award recognizes and celebrates schools for implementing best practices that support the physical, mental, and social-emotional health and well-being of students, staff, and families.

Schools can apply for recognition in one or more topic areas — up to nine total.

- Improving Nutrition & Food Access
- Supporting School Health Services
- Implementing Local School Wellness Policy
- Bolstering Physical Education & Activity
- Strengthening Social-Emotional Health & Learning
- Promoting Tobacco-Free Schools
- Cultivating Staff Well-Being
- Increasing Family & Community Engagement.

For the 2023-2024 school year, Del Monte Foods is sponsoring one of the topic areas, Improving Nutrition & Food Access, to promote and increase healthy eating and food access through school nutrition programs and nutrition education.

To be recognized, schools must exemplify best practices in these topic areas, as measured against criteria in the **Thriving Schools Integrated Assessment** — a collaborative tool that

## Del Monte Foods, Inc.

provides actionable steps and credible resources to schools and districts to advance their wellness and educational goals.

The deadline to apply is April 16, 2024. Schools that are awarded will be featured on Alliance for a Healthier Generation's website and the most-recognized schools will also be invited to the America's Healthiest Schools Leaders Summit in Washington D.C.

### **Improving Nutrition & Food Access Award presented by Del Monte Foods**

Del Monte Foods is proud to sponsor the Improving Nutrition & Food Access topic area, which recognizes school teams that implement strategies to maximize school meal participation, meaningfully collaborate with teachers on nutrition education, and partner with community organizations to improve families' nutrition security.

This sponsorship is part of Del Monte Foods' \$5 million, ten-year commitment to nourish the physical, mental, and social-emotional well-being of youth and communities across the U.S. This commitment furthers the company's Growers of Good™ purpose to grow a healthier and more hopeful tomorrow by making nutritious foods more accessible to all.
